National Intelligence Estimates

This list includes all National Intelligence Estimates published since January 1960 which IL considers still generally useful and those scheduled for completion during 1962.

(Dates in parentheses are scheduled completion dates)

CIA is in the process of revising the NIE numbering system. Note that estimates on some countries appear under the WORLD WIDE and COMMUNIST STATES categories as well as under their own area headings.

* Copy containing RD or Special Material also available.

** Not available in IL files.
